TO REMOVE LIMITATIONS IN U. S. PENSION OFFICE

Bill Introduced by Representative Kelly to Repeal Section of Recent Legislative Bill.

Offered as a "war measure," due to the increased work expected to be thrown upon the pension bureau, Representative Kelly of Pennsylvania has introduced in the House a resolution repealing the limitations imposed upon appointments and promotions in the pension bureau in the legislative appropriation act of last session.

That limitation, now proposed to be repealed, was as follows: Appointments shall not be made to any of the positions herein appropriated for in the classified service of the bureau of pensions not actually filled by June 30, 1917, nor shall more than 25 percent of any of the positions actually occurring in any grade in the classified service of that bureau, during the fiscal year 1918, be filled by original appointment or promotion. The salaries or compensation of all places which may not be filled as hereinabove provided for shall not be available for expenditure, but shall lapse and shall be covered into the Treasury.

ST. LOUIS BRONCOS BEAT JOHNSON, 4-2

Walter Tries Comeback With Only One Day's Rest, But Fails.

BY DENMAN THOMPSON.

ST. LOUIS, Mo., July 20.—Johnson attempted to come back with only one day's rest yesterday and the Browns humbled his offerings for four runs. The griffin was able to garner only two tallies of St. Louis, and one of these was not chargeable to him. The pitcher, who had a clever game and deserved his victory.

The Browns got to Johnson for a brace of counters in the opening round. Walter passed the ball through Leonard. The official scorer said it was a hit. Siler also attempted to tally on the blow, but Leonard recovered the ball and tossed him out at the plate. Severeid managed to reach second and McKee lifted to Menosky.

They got another in the fourth, which Slater opened with a triple to right center. Severeid walked. McKee bounced the ball to Foster, who tossed to Siler, forcing Severeid. Howard had plenty of time to peg to Judge for a double play, but made no effort to do so. Siler scored on Jacobson's long fly to Rice and McKee was out stealing.

The griffs had runners on the paths on several occasions, but it was not until the eighth came along that they scored. Judge's double, Milan's out and Rice's single producing one Washington Foster Singles and Steals.

MARTIN REJOINS GRIFFMEN AFTER HIS SCOUTING TRIP

Finds One Likely Looking Young Pitcher, But Doubts Torkelson's Ability to Make Good in Majors.

BY DENMAN THOMPSON.

ST. LOUIS, Mo., July 20.—Mike Martin returned from his scouting trip yesterday evening. He declared "Red" Torkelson of the Marshalltown team of the Central Association, the pitcher he went to look at, was a humdinger in that company, but doubted whether he had stuff enough to get by in the majors. He shrouded in mystery the identity of another young twirler he has seen, however, refusing to even give out his name.

Mike reached Marshalltown Monday morning and learned that the team was playing in Mason City, Iowa, so he hid himself to the latter place and witnessed a double-header there Tuesday. He returned to Marshalltown with the team Wednesday and saw Torkelson led the Waterloo club down with two hits, winning his game, 5 to 0. Torkelson is a right hander with a good head and a spit ball, and according to Martin, he can hold his position with the best of them. Torkelson led the twirlers in the Central League last year, working in sixteen games, of which he won eleven and lost three, allowing his opponents an average of 1.80 earned runs and bases on balls per game. He fanned seventy-seven batters in 135 innings pitched.

Martin is going to tell Griffith his opinion of the men he saw, as the manager will use his own judgment about purchasing. The pitcher, other than Torkelson, who caught Mike's fancy is a right-handed heaver, who is only about twenty years old and is this season seeing his first service in professional base ball. Mike would not admit that the youngster is a member of the Mason City team. Griffith may buy one or both of these twirlers, but has given no intimation of his intentions thus far. If he should invest he may not be able to have the goods delivered until after the close of the Central Association season.

Walter Johnson left St. Louis last night for Coffeyville, Kan., to see what progress is being made in the new home he is having built on the outskirts of that city. He expects to return Sunday in time to twirl one game of the double-header listed for that day.

Manager Griffith wanted to play the bargain bill Saturday, in order that the team might catch an early train for Washington Sunday evening. However, Manager Jones of the Browns today gave out word that the game would be worked in with the

COLLEGES IN MARYLAND INTEND TO HAVE TEAMS

Maryland State Eleven's Schedule Probably Only One That Will Be Affected—Swimming Meet Successful.

BY H. C. BYRD.

Judging by what can be learned from those in charge of athletics in the different colleges, every institution in Maryland will be represented this fall, as by a foot ball team. Not one of the eleven teams will be represented this fall, as by a foot ball team. Not one of the eleven teams will be represented this fall, as by a foot ball team.

Probably all the colleges will have representatives at the meet of the National Collegiate Association here August 2. If an executive committee of that body were to announce a decision against the continuance of athletics, probably the Maryland colleges would recede somewhat from their present stand. Unless there is a pronounced sentiment against sports, which is not the case, Maryland will have a foot ball in all probability will have just as prominent a position in Maryland during the fall months as it has held several years.

Under the direction of Fred Brunner, superintendent of the swimming meet yesterday was even more of a success than was anticipated. All the events were well contested. There was a general interest in the affair not heretofore noted.

Reginald Rutherford of the Washington Swimming Club captured the special tub race scheduled between the Washington Swimming Club and Potomac Boat Club yesterday. Rutherford of Central High was victor in the event for high school swimmers. Van Schelle, the year star swimmer of Western High, was winner of three events. In the life-saving competition he and his teammate, Harry, were first and he took the initial position in the special 50-yard swim for the Washington Canoe Club and in the open fifty.

Here are the summaries:
100-foot tub race—Won by R. Rutherford; second, J. Gilbert.
100-foot life guard special—Won by J. Shurtz; second, Call. Time, 43 seconds.
